SCIENTIFIC PROGRAM

Precision in motion: Shaping the future of endoscopic valve surgery

DAY 1 | SUNDAY, SEPTEMBER 21, 2025

13:00 – 14:30	Science Session: Data affecting daily practice	
	CAMPAIGN registry	Marin-Cuartas M
	Matterhorn	Doenst T
	RHEIA	Andreas M
	Benchmark for mitral repair – long term results	Ascione G
	Sneak preview: NAVIGATE	Siepe M

14:30 – 16:00	Workshop 1: Case-based learning in mitral disease	NEW!
	Moderators: Delgado V, Gollmann-Tepeköylü C	
	One case presenter and one surgeon from the same team present and comment on cases on a dialogue format. The case presenter shows the echo findings, the surgeon comments on the technique of repair. A Commentator provides theoretical knowledge on basic definitions.

SPECIAL DISCOUNTS

For Residents and Nursing Staff

Enjoy a 50% discount on the Focus Valve Training Course and all workshops.

For Medical Students

Register for just EUR 50 for the Focus Valve Training Course and/or the Wednesday Workshops.

Combo Discount – Simulation Trainings

Participate in both the

Atrial Fibrillation Surgery Simulation and a

Endoscopic Aortic & Mitral Valve Simulator session

and receive a EUR 50 discount (combined price: EUR 150).

Team / Group Registration

Bring your team to Focus Valve and save up to 50% on registration and workshop fees!

Here's how it works:

1. The first team member registers online via: <https://registration.maw.co.at/valve25>
2. After registering, they will receive a team code by email.
3. Share the code to register up to 5 team members.

Team Discount Breakdown:

- 2nd team member – 30% discount
- 3rd to 5th team members – 50% discount each

Note: The team discount applies to a maximum of 5 members per team.

TRAVEL & HOTEL INFORMATION

Travel via Vienna

You can reach Innsbruck either via Vienna or Munich.

There are direct flights available between Vienna and Innsbruck (flight duration approx. 45 minutes). Additionally, high-speed trains from Vienna Airport to Innsbruck Central Station are available (travel time approx. 4 hours and 15 minutes). From Innsbruck Central Station, the hotels we recommend are generally within a few minutes' walking distance.

Travel via Munich

If you're planning to travel between Munich and Innsbruck, here are the best options:

1. Lufthansa Express Bus (Direct and Non-stop)

You can travel directly between Munich Airport and Innsbruck Airport on the Lufthansa Express Bus. The bus service operates daily and offers the following schedules:

From Munich Airport (Bus Stop 17) to Innsbruck Airport:

10:25 AM – 12:55 PM

3:00 PM – 5:30 PM

5:30 PM – 8:00 PM

9:30 PM – 11:55 PM

From Innsbruck Airport to Munich Airport (Bus Stop 17):

6:30 AM – 9:15 AM

10:00 AM – 12:30 PM

2:00 PM – 4:30 PM

6:15 PM – 8:45 PM

You may use the Lufthansa Express Bus even if you're not flying with Lufthansa, as long as you have a valid ticket purchased online. However, please note that if your flight (not part of the Lufthansa group) is delayed, your bus ticket may become invalid.

For more details and ticket bookings, visit the [Lufthansa Express Bus website](#).

2. FlixBus (Direct, but with 4 Stops)

FlixBus offers several daily connections between Munich and Innsbruck, though it is not a non-stop service. The route includes 4 stops along the way.

Buses depart from Munich Airport Terminal 2 (Stops 21 and 22) and arrive at Innsbruck Hauptbahnhof (Main Railway Station).

When booking your FlixBus ticket, be sure to select Innsbruck Hauptbahnhof as your destination. The recommended hotels are a short walk from the main railway station, which is also close to the city center and the University Hospital.

For schedules and ticket booking, visit the [FlixBus website](#).

3. ÖBB (Austrian Federal Railways)

Another option is to travel by train with ÖBB (Austrian Federal Railways). This route requires at least one transfer, typically at Munich Ost station.

For detailed schedules and ticket bookings, visit the [ÖBB website](#).

RECOMMENDEND HOTELS:

Hotels within walking distance to the venue (and the main train station) can be found online on our [hotel list](#).
